Praying the family rosary each day for a week and receiving Grace upon grace next week will be **The Solt Family.** Consider signing your family up for this weeklong devotion. *From the Principal:*

*Hello IHM Families!*

*Happy happy New Year!*

*It is so great to be back at school! We are so thankful for the health of our students and families so far this year and pray that that continues!*

*We are excited to begin our planning for next year, as we hope that some of our normalcy will be able to return. Look for your registration coming home during Catholic Schools Week and be sure to encourage those interested in Catholic education to give us a call! We are welcoming three new students and two returning students in January- what a blessing!*

*School staff will be able to start scheduling COVID vaccines next week! We are so thankful for that opportunity as well! I'm sure the process will need some tweaking, and pray for the health department who have been working so hard to try to organize this effort. There are so many schools in Kent County for organizing vaccines, I'm sure they are working around the clock!*

*I pray you all had a peaceful, restful Christmas break and pray for the peace of Christ to be with us all!*

*Blessings,*
