### Field Trips!!

Home & School funded field trips for the 6th grade to Camp Henry and the 7th grade to Fallasburg Park (shown here) where they enjoyed team building and high flying adventures!

### Baby Chicks

Mrs. Sova's Kindergarten class welcomed baby chicks into their classroom. This mini-grant was funded by your generous donations.

With your support we were able to provide fun, hands-on activities to help learn new concepts in energy, engineering and body systems. Middle school students were engaged as they designed and tested their marble roller coasters and earthquake-proof buildings. 7th and 8th grade students braved the smell of dissecting pigs to learn more about body systems and organs with great success!

**What would we do without our incredible teachers!!!  
No seriously, do you remember homeschooling or did you  
block it out like most of us did?**

Home & School helped organize a fun-filled teacher appreciation week for our dear angels, including a beverage cart, Uccellos luncheon, adoration chapel prayers and flowers, donuts, bagels, fruit and coffee and an amazing prize closet put together by our incredible principal Mrs. Lake all from your donations of gift cards, wine, chocolates, candles, wrapped presents and more.

These are small gestures to show an immense amount of thanks to our teachers, but we couldn't have done any of it without your continued support of The Home & School Association!

A whopping **23** families joined our school this past year. Six of these families enrolled specifically because IHM was and continues to be committed to in-person learning during this year of Covid-19. Thanks to the fundraising efforts by Home & School we had the technology to keep teaching remotely last spring when the world shut down. The CleverTouch Boards also allowed those forced to temporarily learn remotely this school year to be a part of the classroom experience from home.

**Join us in welcoming all of our treasured new families to the IHM community!**

The Brouillet Family, Cid Family, Costello Family, DeBruyn Family, Hall Family, Hamly Family, Kerai Family, Lachman Family, Lindemann Family, Lopez Family, Lopiparo Family, McAllister Family, Miller Family, Potter Family, Rockwell Family, Solt Family, Stoney Family, Swiger Family, Thar Family, Van Overloop Family, Williams Family, Wolf Family and the Yondo Family
