**MAPS TESTING BEGINS NEXT WEEK** Beginning Tues. Sept. 7, 2<sup>nd</sup> - 8<sup>th</sup> grade students will take assessment tests during their technology classes. MAPS testing goes through Oct 1. Rest well. Eat well. **PRAY well!**

**IT MIGHT GET A BIT MESSY** The National School Hot Lunch program is offering “at no extra cost to you” lunches for all students this 2021-22. Patience and Gratitude are virtues. 😊

**ALTAR SERVERS GET REFRESHED** Current altar servers of IHM need to attend ONE of three refresher trainings being offered in the coming weeks. From the Principal:

Hello IHM Families!

*Each week, as a school family, we focus on a particular virtue. Next week we will celebrate the virtue of RESPONSIBILITY. Use it to your advantage at home as we give examples of what RESPONSIBILITY looks like and what it sounds like*

*here at school.*

*On that note, please make sure your children remember to bring their water bottles with them every morning. We have extinguished our back-up supply of plastic cups!*

*Note, too, about the need for flexibility regarding our lunch offerings. Our lunch ladies are the best, and bring their A-game every day. We know you'll encourage GRATITUDE for whatever your child is served.*

*I wish you quality time with your family this weekend and safe travels wherever you go. Blessings!*

*Holly*

Welcome to IHM...Vulpetti Family! Chris, Sarah, Micah and Marianna chose IHM for "Your Family Focus and your commitment to instill in our children the same values they teach at home." And they live just down the street! You're part of the family now!

*Immaculate Heart of Mary School, immersed in the teachings of the Catholic Church, is dedicated to providing excellent spiritual and academic formation in the development of well-rounded individuals centered in Christ.*
