For 18 years in a row, we at IHM have used our prime location, on the corner of Plymouth and Burton, to promote the Sacredness of LIFE and to pray for protection of LIFE in the womb. Of this we are certain: He hears us. He is ever Faithful. He makes all things new.

Our PRK-3's PRK-4's and Young 5's programs are being enhanced *next year*, with options for 1/2 and full-day enrichment, replacing "child care" during the school day. From the Principal:

Hello IHM Families!

What a beautiful experience this morning with the Luminaries for Life. Praying for the unborn in the wee hours of the morning along that lighted path is truly a blessing. The church with the stained glass in the roof all lit up is just breathtaking. Thank you for those who joined us in person and in spirit. We offered a rosary following that to start our school day. So many prayers for LIFE!

This all causes me to reflect on the blessing of this community. We have something very special here and the fact that we can come together to pray for life and also come together on the weekends to celebrate Mass as families is such a gift. Our school day is just the beginning of helping the Lord to form these children to be disciples. If you are still looking for a way to be involved, or grow your involvement, in parish life, or want to minister in some way at the Masses, please contact the appropriate people listed in the bulletin. As we approach Catholic Schools Week, we celebrate the fact that our Catholic school extends into our wonderful IHM community and the witness of faith these children are exposed to on a regular basis. I know I'm grateful that my kids are benefitting from all the faithful here at IHM.

Blessings,
Holly Lake
Principal
