A MESSAGE FROM THE H&S ASSOCIATION PRESIDENT

Thank you to all of the parents who donated their time and talents this entire year. Coverage for the classrooms so teachers were able to enjoy a relaxing catered lunch was truly appreciated.

Another thank you to all of the amazing Home and School Committee Chairs. The outpouring of support and dedication of our parents to help our school staff and teachers is such a gift!

Hospitality Committee Teacher Appreciation Recap Message

"An enormous thank you to all the parents who contributed their time and treasure to make Teacher Appreciation Week a big success! Because of your generous contributions, we were able to give each teacher a gift card and showered them throughout the week with coffee, donuts, snacks, a room-service cart to their classroom and a special "Friends" themed luncheon where they had a blast eating a Uccello's catered meal of "Joey's Meatball Subs", "Chandler's Mac n Cheese", "Monica's Salad Bar" and of course "Nesele' Toulouse" cookies (for those of you who don't know the "Friends" reference, please google:) We also had "Phoebe Buffay" massage chairs for each of our teachers to enjoy a little R&R after lunch. Our teachers had a blast and it was wonderful to hear many of them speak to how genuinely appreciated this made them feel for all their hard work. We are blessed to have such dedicated teachers and blessed to have parents willing to go the extra mile to make our teachers feel loved."
