

# IHM Home & School Association

2025-2026

## What is HSA?

The Home & School Association enhances our children's education by providing opportunities and resources that enrich their experience, both in and out of the classroom. Through financial and volunteer support we foster the school's mission to provide excellent spiritual and academic formation.

## What does HSA Support?

With the time, talent, and treasure of our school and parish community the HSA supports a wide range of activities, events, and initiatives. We support technology updates, field trips, transportation, teacher support, classroom supplies, Science Olympiad, socials, 8th graduation, and more!

## HSA Committees

Through a number of committees our volunteers use their gifts and talents to work in teams to organize and run a variety of events, programs, and activities. Committees include spiritual growth, hospitality, socials, and fundraising.
